Why choose a Local Bed and Breakfast?

Other lodging spots are unsurprisingly familiar, the good and the bland, the safe and sane, similar and unimaginative. However, each Bed and Breakfast offers the reward of a "singular experience". We stand together, but we stand on our own. Each Bed and Breakfast is novel and distinct, dedicated and imaginative...and family oriented. So when you choose a Bed and Breakfast you choose a sure thing. Give us a stay.

The Bed and Breakfasts listed above have agreed to support the PSSA members and guests by offering a 15% discount for a three-night stay only. Each location offers a full breakfast in the nightly rate. In addition, most offer evening refreshments as well.
